Dear Mr Kerkyasharian

Re Complaint regarding the Discriminatory Treatment of Women in the Criminal Justice System by the Government of New South Wales

Ref No 2004/0564

Attached please find a submission seeking an Inquiry into the Discrimination experienced by women in the criminal justice system in New South Wales.

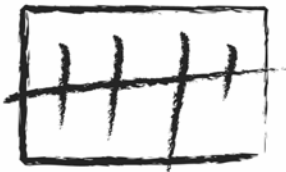

On 20th July 2004 we sent you a letter noting our intention to lodge this submission in the future and to seek the Anti-Discrimination Board's support and carriage of an Inquiry into this form of discrimination.

The Submission details aspects of the criminal justice system that we believe expose women to discriminatory practices and which breach their rights.

Yours faithfully
